Noctis

Warmth after dark.

Rich tones. Soft curves.

A coordinated approach to the home.

BEDROOM / LIVING / HALLWAY / OFFICE

A richer palette

Walnut-toned surfaces, warm metallic accents and softly upholstered forms.

The bedroom

A curved upholstered bed creates a soft focal point.

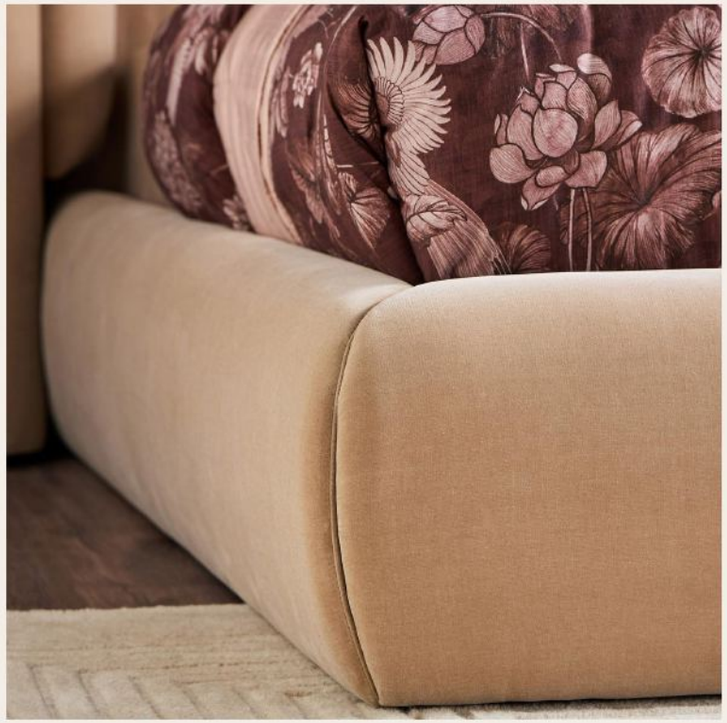

Upholstery in focus

Rounded edges and carefully framed proportions.

Bedside & bench

Coordinated accents with practical storage and upholstered comfort.

Bedroom storage

Warm wood tones and rounded outlines connect the storage pieces.

Considered details

A closer look at surface, hardware and storage.

The living room

Sculptural seating in a warm neutral palette.

Soft seating, refined lines

Curved arms and a continuous upholstered silhouette.

Accent seating

Swivel armchairs bring a rounded form to the room.

Media & display

Open display and closed storage share a coordinated design language.

The finishing pieces

A marble-top side table and a compact upholstered stool.

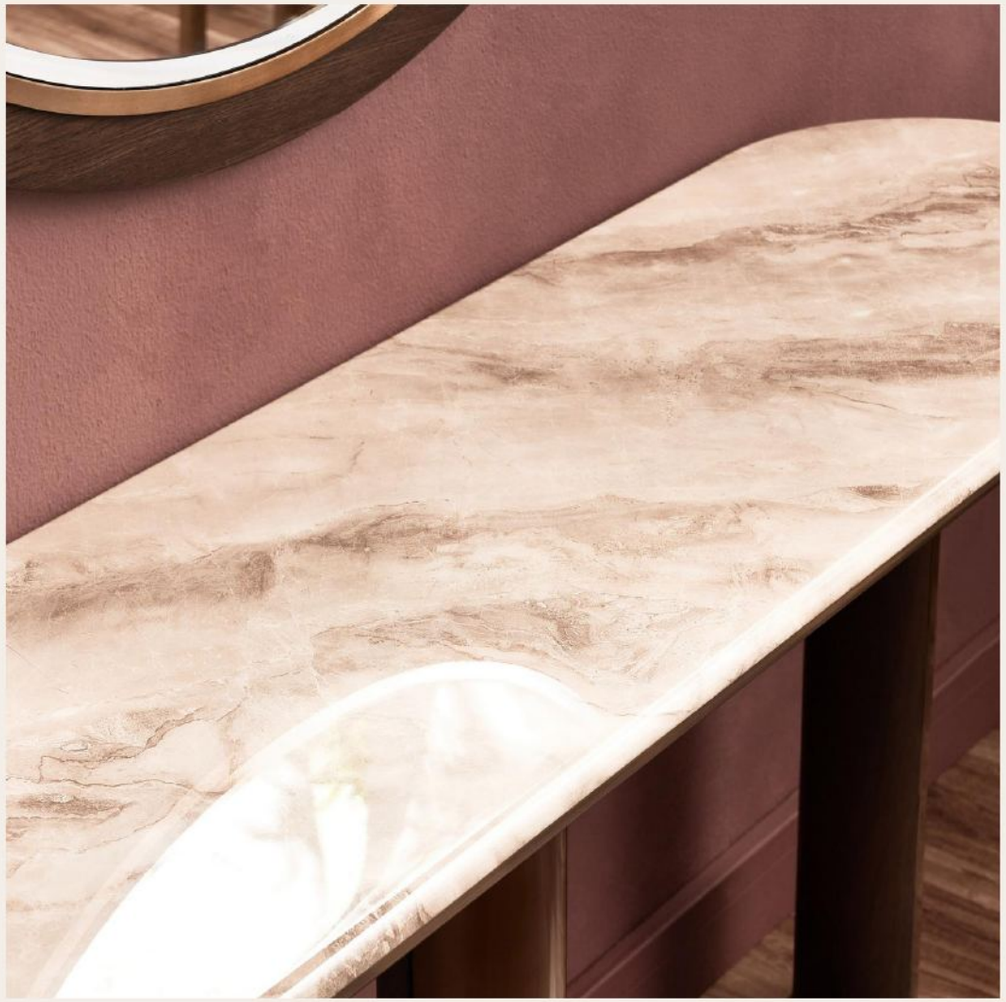

An inviting entrance

A console and round mirror create a composed hallway setting.

The home office

A coordinated desk and study chair carry the palette into the workspace.
